# Inventories

## OF PRIVATE RESIDENCES

are a necessity in the adjusting of LOSSES by FIRE or BURGLARY and in the SETTLING OF ESTATES. They should be made by people expert in the art and bound in duplicate, one to be kept in the house for ready reference and the other put in a safe place together with the Insurance Policies.

Twenty years ago I originated the system of Inventorying the contents of Private Residences, which has since become so popular and well known throughout the country, and which I have since perfected to a high degree.

It affords the owner ABSOLUTE PROTECTION, as over Five Thousand Patrons in the principal Cities and Summer Colonies of the United States will testify.

Estimates furnished free of charge and satisfactory work guaranteed. Send for my Illustrated Booklet which contains the names of many of your friends and neighbors.

**FREDERICK C. RUSSELL**

## *The Sign of Service*

This Indian head brings to mind the Indian traditions of New England. "Shawmut" was the original name for the site of the city of Boston, and the *National Shawmut Bank* adopted the name 83 years ago.

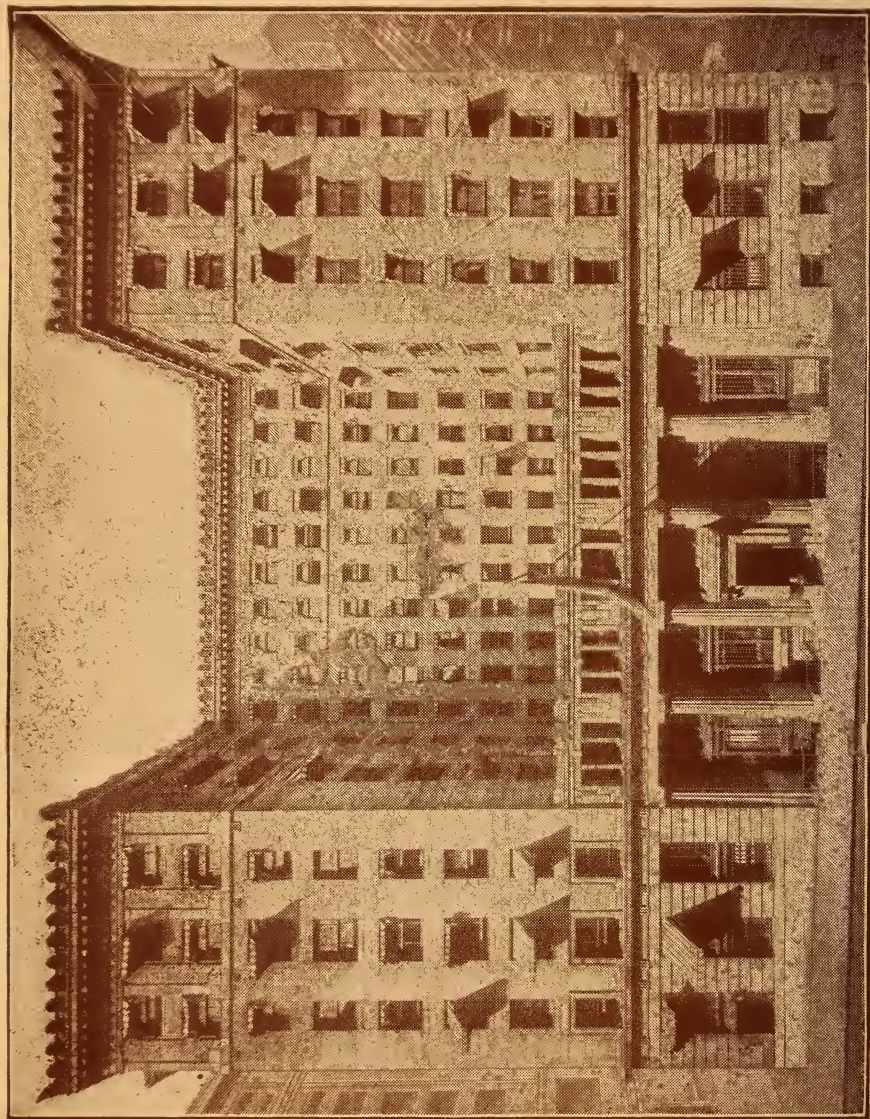

Today, the *Shawmut* trade mark is recognized at home and abroad. It stands for exceptional banking strength. It is the *service* emblem of one of the most progressive banks in the country.

# Clothes of Character

*"Their service exceeds their price"*

AT the outset, there is in Macular Parker Clothes a certain distinctiveness, a subtle suggestion of just-right-ness which adds to the enjoyment of the wearer.

But the keenest satisfaction is realized in continued use.

For it is *then* that you can *see* the real value of their sterling quality in fabric, coloring, and craftsmanship.

If we have not the honor of your patronage, will you not visit us when next you purpose purchasing or ordering clothes?

## CARD ETIQUETTE

---

The significance of a card is always considered by well-bred men and women and its fitness to the occasion is an expression of its owner's individuality; in fact, the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the eldest unmarried daughter she is appended as Miss Smith, otherwise her full name is given with the prefix of Miss.

When two daughters enter society together it is proper for them to be mentioned upon their mother's card together, thus:

MRS. JAMES SMITH

THE MISSES SMITH

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your city can be sent either by mail or messenger as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name,

Any lady wishing to inform her friends of the presence of a lady visiting her family should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of the bearer should be written above that of the giver, prefixed by the word "Introducing," and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence requires an answer.

---

### **CARD ETIQUETTE FOR CHURCH WEDDINGS**

Cards to a church or home wedding, followed by a reception, need no written answer if the recipient proposes to attend, unless bearing the letters R. S. V. P.

When attendance at a church wedding is impossible, cards must be sent the day of the marriage directed to those from whom the invitation comes.

If present at the church it is polite to send a card or cards to those who invite

---

### **CARD ETIQUETTE IN WASHINGTON**

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit, the Cabinet officer or the Senator.

Many yield this point to the Senate. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of the United States Senators will hereafter call upon the wives of Foreign AMBASSADORS, while the wives of Foreign MINISTERS will make the first call upon the wives of Senators.

In all society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

### CARDS FOR BALLS

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions of course require exceptional cards; for such there can be no fixed rules.

---

### WHEN TO DROP THE JR.

When a father dies leaving a son of the same name the son should omit the Jr. from his visiting card. To be correct his wife should do likewise, but as confusion sometimes arises because of the mother and wife having the same name the wife often prefers to keep the Jr.

---

### INFANTS' CARDS

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with the parents' card, to which it is daintily ribboned.

A visit of acknowledgment is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

**Motor Taxicabs**—The maximum prices or rates of fare which drivers of hackney carriages propelled by mechanical motors and using taximeters as the means of measuring the distance traveled, to be known as "Motor Taxicabs" may charge and demand for services rendered in conveying passengers as follows:

From point to point within the city limits:

First half mile or fraction thereof, for one person	40c
Each quarter mile thereafter	10c
Each additional person for the whole journey	20c

Waiting time shall include all time during which the vehicle is not in motion, beginning six minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning six minutes after the time of such engagement. A charge at the rate of 30 cents for twelve minutes may be made for any part of the first chargeable twelve minutes of waiting, and for all subsequent waiting a charge of 10 cents for each six minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

No charge shall be made for a distance less than one mile traversed by a vehicle sent in response to a call, but for a greater distance a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of the first mile.

When a vehicle is dismissed at a point more than two miles distant from the place at which it was engaged, or from the place in which it was when called, a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of such two miles

**Baggage**—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry tolls will be paid by passengers.

**By the Hour**—When a motor taxicab is hired by the hour or for a trip wholly or in part outside the limits of the City of Boston, the person in charge may suspend, with the consent of the passenger, the use of the taximeter as a means of determining the price to be paid, and the motor taxicab shall come temporarily under the provisions of that part of this rule which relate to charges for automobiles.

**Automobiles**—The authorized fare for automobiles other than motor taxicabs shall be the same as for horse-drawn hackney carriages. This rule shall not be deemed to apply, however, to automobiles when hired by the hour or for a trip wholly or in part outside the limits of the City of Boston. This rule shall apply to automobiles hired at a garage as well as to those hired in the public streets. The rule as to baggage for motor taxicabs shall apply also to automobiles.

**Horse Drawn**—For one passenger from one point to another within the city proper, 50 cents. For one passenger from one point to another within Charlestown, within East Boston, within South Boston, within Roxbury, 50 cents. Each additional passenger 50 cents. For distances beyond certain limits the rates are \$1.00 and upwards.

For a complete statement of the rates for public carriages the inquirer is referred to the condensed schedule in the Boston Directory.

**Special Charges**—From twelve at night to six in the morning fare is 50 CENTS ABOVE THE PRECEDING RATES for each passenger.

Children under five years, with an adult, no charge

Children between five and twelve years old, with an adult, HALF-PRICE

No charge for one trunk; each additional trunk, 25 CENTS.

**By the Hour**—Passengers may at all times engage horse-drawn hackney carriages by the hour. The rates of fare for one, two, three or four passengers shall be as follows: For the first hour or fractional part thereof not more than \$1.50; and for each twenty minutes or fractional part thereof after the first hour not more than 50 cents.

The time shall be so reckoned as to include the time necessarily consumed between leaving and returning to the place from which the carriage was hired, whether during any portion of such time it has been empty or otherwise.
